- **Campus Ambassador — SmartED Innovation**

2026 – Present

- Promoting educational and innovation-focused opportunities among students.
- Supporting student engagement and community outreach activities.
- Communicating opportunities effectively and helping build student networks.

● INTERNSHIP EXPERIENCE

● Web Development Intern — SkillCraft Technology

2026

- Worked on web development projects using HTML, CSS, and JavaScript.
- Developed and improved responsive web interfaces.
- Used AI-assisted development and automation approaches to improve development speed.
- Strengthened practical problem-solving and project execution skills.
- **Prompt Engineering Intern**

- Created and tested effective prompts for generative AI tools.
- Explored AI-based approaches for productivity and problem-solving.
- Learned to convert requirements into clear and effective AI instructions.
- Applied AI tools to support project development and automation.
- **SKILLS**
- **Leadership & Business:**Community Building • Outreach • Communication • Networking • Coordination • Team Collaboration • Problem Solving
- **Technical:**HTML • CSS • JavaScript • Python • SQL • MySQL • Power BI • Excel • Git • GitHub
- **AI & Automation:**Prompt Engineering • Generative AI • AI Tools • AI-Assisted Development • Vibe Coding • Automation

- **CERTIFICATIONS**
- Prompt Engineering Internship — SkillCraft Technology
- Deloitte Australia Data Analytics — Forage
- GenAI Powered Data Analytics — Forage
- Generative AI Mastermind — Outskill
- Getting Started With AI & ChatGPT Workshop — TechFest

- **ACHIEVEMENTS & ACTIVITIES**
- **Campus Lead — Open Source Connect India 2026**
- **Campus Ambassador — SmartED Innovation**
- Participated in technology workshops, hackathons, and student community initiatives.
- Actively exploring startups, AI, open source, product development, and emerging technologies.

- **EDUCATION**

Bachelor of Technology — Computer Science & Engineering

Dr. A.P.J. Abdul Kalam Technical University (AKTU)Currently Pursuing

CAREER INTERESTS

Startups • Entrepreneurship • Product Management • Business Development • Community Building • Growth • AI & Technology
